CM Secrets

Thought I'd start a thread to post some inside info I've found from the exe - stop reading now if you think it might spoil your enjoyment of the game if you know too much.

I'll add the first ones in spoilers given how close to the above warning they are.

Player with LOYALTY (ESI+59) of 6 or more are not told to move on by their agent.

Players with PROFESSIONALISM (ESI+5B) of 10 or more are the same.

I have [ESI+18] as year of birth but the above suggests it is actually age in years and that players aged 32 and over don't get told to do by their agent anymore.

Players with CA (ECX+0B) of less than their club's rep (EDX+80) won't be told to move on.

CA of less than 4241 (out of 10000) won't be told to move on either.

When a player thinks their manager is a 'tactical genius' it means the manager's current reputation is  $\geq 7250$ .

**Spoiler!**

Players who just want 'the media to leave him alone' have a PRESSURE rating of 5 or less.

Players who are 'being treated for depression' have PRESSURE rating of  $< 5$  AND a PROFESSIONALISM rating  $< 6$  AND a TEMPERAMENT rating of  $< 10$ .

It also seems that those suffering depression have a world rep of 4250 or more - the same player with a lower rep would only have 'personal

problems'.

## Dermotron

I suppose one Secret we could have done with a year ago and before a hell of a lot of testing and implementation - what causes this one:

"Doesnt think club can meet his demands"

We use Club Reputation X 10 and a guide for assigning a players Current and World Reputation but sometimes players wont sign new contracts unless the club has exaggerated funds or wages have been added to each club.

## JohnLocke

I don't know what causes it but the code can be found here:

Continued.

It looks like a player says he 'doesn't want to negotiate a new contract while he is unhappy.' if something is greater than 25000 (61A8 in hex). I can't figure out what this is though - it might be the amount a club can offer but that's just a guess. If this value is less than 25000 then the player can go on to report that he 'doesn't believe the club can meet his demands'

If someone can upload a save with a player who says this I can investigate further.

Aitor Sanz - Current Rep R80 (4200) and Club Rep 8 (4020)

When you go into offer new contract you will get the 'doesn't believe the club can meet his demands' message

Hector Simon has higher current rep but will sign. Ambition might be the problem, Sanz (13) where as Simon (5). Even though I'm not so sure as Cervero has higher Ambition and similar CR

004E0DF9 |. 817F 0C A8610 CMP DWORD PTR DS:[EDI+0C],61A8  
The value at [EDI+0C] is 7215 for Aitor Sanz - this could be the wage he wants?

004E0E02 |. 8178 0C 34080 CMP DWORD PTR DS:[EAX+0C],834  
The value at [EAX+0C] is 1500, which is his current wage.

It seems to be that this line-  
004E0E09: JLE SHORT 004E0E1D

Results in 'Doesn't want to negotiate a new contract while he is unhappy' if the player's wage is less than 2100. A wage of more than 2100 would result in 'Doesn't believe the club can meet his demands'.

There must be more too it but I haven't figured that out yet.

Here's a list of some of the Future screens and what those sentences mean. I can't think of how to present all of this other than in an ugly lump of text.

A few things:

- \* Numbers like 21- or 3,250+ are inclusive of that number (so 0-21 and 3,250-10,000).
- \* Ignore the numbers in brackets, just something I used when breaking up the code into pieces.
- \* Not all players with the attributes listed will have that relevant sentence in their Future screen, rather all players that have that Future should have those attributes.
- \* There will also often be other factors (that I can't yet figure out) for the Futures that aren't listed, eg "Admits he is partially responsible for the

team's slump in form" will obviously have some connection to how poor a team is doing.

\* A few Futures aren't listed as I couldn't work out any information for them.

Really? Don't be an asshole. Ste is actually on meds, it's not something to laugh about.

It was clearly a joke you prick. (Please don't call me an asshole) If you didn't get that then you need a serious look at yourself.

I'm not targeting you. I'm calling you out for making an insensitive joke about a forum member who is on medication for depression, just like I would if anyone else had made the same comment. It's not cool.

Just because you're on meds as well, doesn't make it ok.
